Terms: Offer is subject to withdrawal and prior sale. Price excludes all applicable taxes, de-installation, rigging/loading and shipping, all of which will be Buyer's responsibility. Risk of loss and title pass on floor at current location of equipment immediately upon transfer of funds. All orders and agreements made by sales representatives are subject to approval by an authorized officer of the seller. Seller has no direct knowledge regarding prior use, maintenance, condition or usability for buyer's purpose, therefore Buyer agrees to inspect the equipment, and verify that it meets their needs and desires. Descriptions of condition of the equipment are not warranties. Descriptions are intended only as a courtesy and their accuracy is not guaranteed. Buyer agrees to verify sell items, descriptions etc. prior to purchase for his use. All equipment is to be sold AS IS, WHERE IS, WITH ALL FAULTS, and without warranties of MERCHANTABILITY or FITNESS FOR A PARTICULAR PURPOSE. Seller will not be liable for any incidental damages, consequential damages, or lost profit damages, including any damages relating to delayed delivery, and any damages shall be limited to the price paid to Seller. Buyer and/or users shall be responsible to provide proper safety devices, equipment and training, and to comply with all governmental (local, county, state or federal) industry, or company required safety standards, including, but not limited to ALL OSHA standards. Buyer shall defend and indemnify Seller and Seller's sales representatives and partners from any claims or liabilities arising from the setup, operation or other use of the equipment. Any claims against Seller shall be heard in Florida courts without a jury, and be decided under Florida State law.
